

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ALTERNATIVE RATE FILING APPLICATION OF)	CASE NO.
MIDDLETOWN WASTE DISPOSAL, INC.)	2009-00227

COMMISSION STAFF'S FIRST INFORMATION REQUEST
TO MIDDLETOWN WASTE DISPOSAL, INC.

Middletown Waste Disposal, Inc. ("Middletown"), pursuant to 807 KAR 5:001, is to file with the Commission the original and six copies of the following information, with a copy to all parties of record. The information requested herein is due within 15 days of the date of this information request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Middletown shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Middletown

fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. In its July 2, 2009 response to the Commission's June 26, 2009 deficiency letter, Middletown submitted a Revised Attachment B. In its Revised Attachment B, Middletown referenced a flat residential rate of \$15.00 per month in the present and proposed rate comparison.

- a. When did Middletown establish the \$15.00 monthly residential rate?
- b. Explain how Middletown calculated the \$15.00 monthly residential rate.
- c. Cite the proceeding in which the Commission authorized Middletown's flat residential rate of \$15.00 per month.
- d. Identify Middletown's tariff page that lists the flat residential rate of \$15.00 per month.
- e. Staff is unable to duplicate the test year Normalized Revenue Table. Provide the table in a Microsoft Excel 2003 or earlier version digital format. The table should allow for unrestricted view of all formulas. In the event that there are no formulas, provide a detailed description of the calculations used to derive the normalized revenue numbers.

f. Provide a detailed explanation as to why Middletown did not propose to increase the residential rate. Also, explain why Middletown believes this to be reasonable.

2. At page 3 of the Application, Middletown states that in 2009 it has been mandated by the Health Department to spend an estimated \$10,000 to \$15,000 for additional repairs.

a. Provide an itemized list describing the construction the Health Department is mandating Middletown to complete in 2009.

b. Identify the Health Department that Middletown is referencing and provide any written notification from the Health Department that mandated Middletown to perform the construction.

c. Provide bids to support the estimated construction costs.

d. Provide an estimated construction schedule.

3. At page 3 of the Application, Middletown states that it may have to spend an additional \$100,000 in the coming years to properly repair the plant. Provide a detailed description of the \$100,000 of construction costs referenced by Middletown and the anticipated year(s) the construction will be performed. Also, explain if these repairs are mandated by the Health Department and if Middletown will request the Commission to issue a Certificate of Public Convenience and Necessity ("Certificate") before beginning construction.

4. In its Revenue Requirement Calculation, Attachment A of the Application, Middletown uses an income tax gross-up factor. In prior proceedings, the Commission has noted that for subchapter S Corporations there is no income tax liability at the corporate

level and, therefore, the Commission does not allow a provision for income taxes in the utility's revenue requirement.¹ Provide a detailed discussion to persuade the Commission Staff that this prior Commission position is unreasonable.

5. Refer to Attachment A of the Application, Adjustment B, Owner/Manager Fee. Middletown states that in the test period Donald Lorenz, Middletown's Secretary/Treasurer, was paid \$10,800 to manage the day-to-day operations of Middletown's system and to perform various engineering services.

a. Provide a detailed list of the management duties and engineering services being performed by Mr. Lorenz.

b. Does Mr. Lorenz track the amount of hours he spends performing the daily management and engineering services for Middletown?

(1) If yes, provide documentation to support the number of hours Mr. Lorenz devotes to the management of Middletown. Also, document the number of hours Mr. Lorenz provides engineering services to Middletown.

(2) If no, given that this is a less-than-arm's-length transaction, provide documentation to show that Mr. Lorenz's annual salary of \$10,800 is reasonable.

6. Refer to Attachment A of the Application, Adjustment B, Owner/Manager Fee. Middletown states that in the test period Paul Lichtefeld, Middletown's President, was paid an owner/manager fee of \$3,600 and that Middletown is proposing to increase the annual owner/manager fee to \$6,000.

¹ Case No. 2006-00171, Application of Cow Creek Gas, Inc. for Authority to Adjust Its Rates Pursuant to the Alternative Rate Filing Procedure for Small Utilities (Ky. PSC June 8, 2006).

a. Provide a detailed list of the management duties being performed by Mr. Lichtefeld.

b. Does Mr. Lichtefeld track the amount of hours he spends performing the management of Middletown?

(1) If yes, provide documentation to support the number of hours Mr. Lichtefeld devotes to the management of Middletown.

(2) If no, given that this is a less-than-arm's-length transaction, provide documentation to show that Mr. Lichtefeld's proposed annual salary of \$6,000 is reasonable.

7. Refer to Attachment A of the Application, Adjustment B, Owner/Manager Fee. Middletown states that Mr. Lorenz is responsible for the management of Middletown's daily operations and that Mr. Lichtefeld is responsible for maintaining the sewer plant. Given the size of Middletown,² explain in detail why it requires two owner/managers to oversee its operations. Provide documentation to support Middletown's response.

8. Refer to Attachment A of the Application, Adjustment C, Fuel and Power Expense. Provide legible copies of the Louisville Gas and Electric, AT&T, and Louisville Water Company invoices for the period of November 1, 2007 through March 31, 2009.

9. Refer to Attachment A of the Application, Adjustment E, Maintenance of Collection System Expense, Adjustment M, Amortization Expense; and Attachment G, Lift Station and Sewer Repairs.

² Annual Report of Middletown to the Public Service Commission of the Commonwealth of Kentucky for the Calendar Year Ended December 31, 2008 ("2008 Annual Report") at 8. Middletown reports that it was serving 120 residential customers and 75 commercial customers in 2008.

a. Provide a detailed description of the construction that was performed at the lift stations.

b. Explain why Middletown did not file an application with the Commission requesting a Certificate for the lift station construction project.

c. Provide the date the lift stations were originally installed and the depreciation life used by Middletown.

d. Provide documentation to support the proposed three-year amortization period.

e. Provide any written notification from the Health Department that mandated Middletown to perform the construction at its lift stations.

10. Refer to Attachment A of the Application, Adjustment F, Maintenance of Pumping System Expense; Adjustment M, Amortization Expense; and Attachment G of the Application, Lift Station and Sewer Repairs. In 2008, Middletown spent \$49,251 to make repairs to the sewer collection lines to comply with Health Department requirements. Middletown is proposing to remove the \$49,251 from test-period operating expenses and to amortize those repair costs over a three-year period.

a. Provide a detailed description of the construction that was performed to repair the sewer collection lines.

b. Explain why Middletown did not file an application with the Commission requesting a Certificate for a sewer collection line construction project.

c. Provide the date the sewer collection lines were originally placed into service.

d. It is Middletown's responsibility to show that its proposed amortization period is reasonable. Provide documentation to support the proposed three-year amortization period.

e. Provide any written notification from the Health Department that mandated Middletown to perform the construction at its lift stations.

11. Refer to Attachment A of the Application, Adjustment K, Rents Expense Office. Middletown is proposing to include office rent of \$200 per month that is to be paid to Mr. Lorenz for the use of "office space, utilities, and all office equipment."

a. Provide a schedule listing by month the following costs incurred by Mr. Lorenz in calendar years 2007 and 2008:

- (1) Office rent;
- (2) Telephone;
- (3) Utilities (gas, electricity, etc.);
- (4) Equipment; and
- (5) Furnishings.

b. Identify all affiliated and/or nonaffiliated companies that share Mr. Lorenz's office.

c. Provide the rent/office overheads paid by each affiliated or nonaffiliated tenant during the calendar years 2007 and 2008.

d. Provide a list of the tenants that share the office with Middletown. For each tenant listed, identify if the tenant is affiliated with Middletown, Mr. Lichtefeld or Mr. Lorenz.

e. Identify the total square footage of the office and the amount that is occupied by each tenant listed in the response to 11(d).

f. The office rent paid to Mr. Lorenz is considered a less-than-arm's-length transaction;³ provide documentation to show that the actual test-period office rent of \$1,200 and the proposed annual rent of \$2,400 are reasonable.

12. Refer to Attachment A of the Application, Adjustment M, Amortization Expense.

a. Provide documentation to support the proposed five-year amortization period for the two capital charges totaling \$8,390.

b. Provide a copy of the KPDES permit referenced in the adjustment description.

c. Provide a legible copy of the invoice(s) to support the rate case consulting fees of \$3,300.

13. Refer to Attachment H of the Application, General Ledger.

a. For each item listed in Table 1 below, provide a copy of the supporting invoice.
